

PROGRAM OVERVIEW

> Increasing your patient's access to the Evoke® SCS System

The Saluda SmartAccess Program is facilitated by PRIA Healthcare, an experienced third-party provider of patient access and reimbursement services. The Saluda SmartAccess Program will provide the following support:

- Secure online portal for Prior Authorization and Appeal Requests
- Coding, Coverage and Reimbursement hotline support
- Comprehensive Benefits Verification
- Prior Authorization and Appeal Submissions
- Claim Appeal Submissions
- Real-time Case Updates and streamlined communication

These services will benefit prospective Evoke® System patients whose health benefits are provided through health plans, which generally require prior authorization services.

> The program has already helped offices, and their patients

- > Assisted More than 1,000 patients gain access to the Evoke® SCS System
- > Enrolled 400+ physicians
- > Created a presence in 35 states
- > Maintained a 2-day average turnaround time from intake to payer submission
